### **WHOLISTIC HEALTH & WELLNESS PROGRAM TO DELIVER RAPID TEST KITS TO ELDERS**

The Mohawk Council of Akwesasne (MCA) will be providing rapid test kits to the community via drive-thru service at the three district recreation center parking lots. The distribution date is scheduled for Friday, January 7th from 10 a.m. - 2 p.m. or until all kits are distributed.

MCA recognizes that some elders in the community will be unable to attend the distribution due to lack of transportation or other outstanding issues. The Wholistic Health & Wellness staff will provide delivery service of rapid test kits on Friday, January 7th from 10 a.m. - 2 p.m. For any community elder who would like a rapid test kit, please call the Wholistic Health & Wellness Program at **613-575-2341 ext. 3105**. There will be a limit of two (2) kits per household.

When calling for delivery, please provide the program with your name, address, and a phone number at which you can be contacted. Rapid test kit delivery will be no-contact, so please notify staff of an easily accessible location where the test kit can be dropped off.
