The Mohawk Council of Akwesasne's Community Health Program is informing the community that an open walk-in COVID-19 vaccine clinic has been scheduled for January 21, 2022 at the A'nowara'ko:wa Arena in the district of Kawehno:ke. The vaccine clinic will be open to anyone age 18 and over.

The open vaccine clinic will offer first, second, and third doses of the Moderna and Pfizer vaccines; however, the Pfizer vaccine will be in limited supply. While it is possible to mix vaccines, it is highly suggested to remain with the same dose as your previous shots.
