MEDIA RELEASE

OFF-ROAD VEHICLES PROHIBITED FROM THE KANA:TAKON RECREATION FIELD

As spring approaches, the ground begins to thaw due to the warming temperatures causing soil and landscaping to become unpredictable and delicate. Off-road vehicles such as ATV's and dirt bikes are heavy and can cause damage to the lawn area.

The Kana:takon Recreation is urging the community not to operate any vehicles in the field as it may cause ruts in the landscaping, which could result in costly repairs. Please be reminded that off-road vehicles are also prohibited from the grounds of our AMBE schools.

The Akwesasne Mohawk Police are requesting all off-road vehicle operators to follow the rules and regulations and to operate their vehicles in a safe manner. For more safety tips, visit our Instagram page (@akwesasne_mohawk_police) and click the ATV SAFETY story highlight.
