2020 2021 Snow Contract MCA DIH – BLOCK #6

The following buildings and or blocks of buildings have been identified:

<b>Block #6:</b>	<b>Contractor Initial</b>
Akwesasne Mohawk Police Service (AMPS) Station	_____
Administration Bldg. #4 (Finance) [formerly Housing]	_____
Administration Bldg #1 & #3 (A-Frame & IT Bldg)	_____
Angus Mitchell Memorial Bldg Parking Lot	_____
Adjacent Parking Lot to Angus Mitchell Memorial Bldg	_____

Each facility is required to be serviced prior to the start of a normal work day schedule for the site, or no later than 7:00 AM. Each site may also require cleaning during normal work day and will include sanding, salting and snow removal, to ensure a safe accessible parking lot area. (For the purpose of this tender, sanding / sand salt mix can also mean stone dust and or stone dust and salt mix)

A Maintenance Manager has been assigned to coordinate and sign for each invoice for service. Payment will follow MCA Finance regular payment schedule for contractors. The Contractor must perform a site inspection of each facility prior to start of the contract with the building maintenance personnel, record deficiencies and or damaged areas as repairs to damaged facilities and or fixtures will be the responsibility of the contractor.

**Please note that the MCA 24-hour operation sites may require service more than once per snow event, and includes snow removal, sanding and salting the area to ensure a safe accessible parking lot are. The call for extra service will come from the maintenance personnel at that site when required. Weekend service is required at all 24-hour service sites during consistent snow events.**

**Proof of vehicle and or equipment liability insurance (minimum \$2M) must be forwarded with quotes as well as a working copy of the Contractors Health and Safety Policy and Procedures for their Employees.**

**Quotes for service can be faxed or emailed the Department of Infrastructure & Housing no later than 3:00 pm November 30, 2020,**
