In our ongoing effort to keep the community updated with the latest on the COVID-19 outbreak at the Tsiionkwanonhso:te Long Term Care Facility, we are informing the community that seven (7) residents have recovered from their COVID-19 diagnosis, with eight (8) residents still being reported as active.

The current statistics for cases at the facility are as follows:

- Total cases of Tsiionkwanonhso:te residents: 21 resident cases
- Total resolved residents: 7 recovered
- Total COVID-related passings: 6
- Total active residents: 8 active (as of January 22, 2021)

MCA extends its best wishes for a speedy recovery to all those infected, as well as appreciation to those isolating and quarantining to prevent the further spread of COVID-19. We also extend our sincerest appreciation to our frontline workers and long-term care staff who have remained diligent and dedicated during this most trying time.

We express our sincerest condolences to those who have lost a loved one.
