DR. DUBUC OPTOMETRY STAFF ANNOUNCE REOPENING DATE

Dr. Dubuc's Optometry staff will be back in the office effective Tuesday, January 26, 2021. Staff will resume distribution of glasses and contact lens via window service as part of our Resumption of Services Plan; this will be by appointment only. Dr. Dubuc will resume her regular clinics on February 8, 2021.

When picking up glasses or contact lenses, please continue to follow safety protocols. A mask must be worn and social distancing is still being followed. If you have any questions or concerns, or to schedule an appointment for pick-up of lenses, please contact the Optometry Department at 613-575-1158, 613-575-1209, or 613-575-2341 ext. 3131.
