DOH ANNOUNCES COVID-19 VACCINE CLINIC HAS EXPANDED TO TSI SNAIHNE

The Mohawk Council of Akwesasne's Department of Health (DOH) is informing the community that there will be a COVID-19 Vaccine Clinic taking place in the District of Tsi Snaihne, on **Thursday, April 8, 2021, from 9 a.m. to 3 p.m.** at the Snye Recreation Centre.

There will be no walk-in vaccines administered; therefore, you **must** call the Community Health Program to register. Community Health staff will respond to those community members who have called to register to confirm their appointment. ***Please don't assume you have an appointment unless someone from Community Health has informed you of your appointment time.***

If you are interested in receiving the COVID-19 vaccine, please call the Community Health Program to register, at **613-575-2341 ext. 3205 or ext. 3247**. If you've pre-registered for the vaccine with Community Health, and have already received your COVID-19 vaccine from another service provider, please notify Community Health ASAP.
