DOH ANNOUNCES WALK-IN COVID-19 VACCINE CLINICS CANCELLED; APPOINTMENTS STILL HAPPENING

The Mohawk Council of Akwesasne's Department of Health (DOH) is informing the community that the walk-in vaccine clinic scheduled for Saturday, April 24th at the Tsi Snaihne Recreation Center has been cancelled due to limited vaccine supply. We apologize for any inconvenience.

Previously scheduled vaccine appointments will proceed as scheduled. If you've been contacted by the Community Health Department with your appointment date and time, please report to your identified vaccine location at the time of your appointment.

For more information on the Department of Health's vaccine process, or if you have questions regarding your eligibility to receive a vaccine, please contact the Community Health Program at 613-575-2341 ext. 3220.
