HOME CARE/HOME SUPPORT PROGRAM EXPERIENCING STAFFING SHORTAGE

The Mohawk Council of Akwesasne's (MCA) Home Care/Home Support Program is experiencing a staffing shortage for the time period of April 18th - April 28th. Home Care/Home Support will have limited PSWs and nurses available during this time.

Due to the staffing shortage, scheduled home visits may be delayed or have to be rescheduled. We apologize for any inconvenience this may cause our clients. Home Care/Home Support is doing everything possible to ensure our clients' needs are met with limited staffing. Please have patience with the Home Care/Home Support staff if you are experiencing a delay in your scheduled home visit as PSWs and nurses may experience unanticipated extended travel times in between clients.

If you have any questions or concerns, please contact the Home Care/Home Support Program at 613-575-2341 ext. 1069 or ext. 1064.
