For Immediate Release:
September 26, 2022

KAWEHNO:KE RECREATION ROAD WATERLINE EXTENSION PROJECT: **RESIDENT NOTICE OF CONSTRUCTION WORK ON ROADWAY**

Please be advised the construction work for the Kawehno:ke Recreation Road Waterline Extension Project will begin to mobilize starting Monday, September 26, 2022. The purpose of the project is to connect 10 homes currently on wells to the waterline. The construction work is being completed by Jock's Excavation, with a scheduled completion date of November 7, 2022.

During the construction process, we ask all drivers to be cautious when entering the work zone and be aware of all traffic control signs, heavy machinery, and equipment on site.

Construction Safety procedures are in place. Construction hours will be from 7 a.m. to 4 p.m. Monday to Friday. If weekend hours will be required, we will send out a notice.

The MCA Department of Housing, Infrastructure & Environment thanks you for your patience and co-operation while this work is being completed.
