PUBLIC NOTICE

Solid Waste Contract Services 2023 - 2028

The Mohawk Council of Akwesasne through the Department of Infrastructure, Housing, and Environment (DIHE) is currently seeking interested parties for the purpose of tendering the “Solid Waste and Recyclable Waste Materials Collection Contract”.

Duration of the contract is a FIVE-YEAR term commencing on April 1, 2023 through March 31, 2028.

The Mohawk Council of Akwesasne has a service area that includes the district of Kawehno:ke (Cornwall Island), Kana:takon (St. Regis Village), and Tsi Snaihne (Snye). The contract for curb-side pickup and service includes all residential and MCA asset facilities and projects. It includes all small light commercial operations and excludes all large commercial operations and facilities within our districts. The contract does not include Construction Waste generated by Private residents and or Business operations of any type.

There are two identified landfill sites and are noted as *Lafleche Environmental Inc.* (17125 Lafleche Rd., Moose Creek Ontario, K0C 1W0, [Hwy 138 and Hwy 417 area]), and the primary anticipated location: *City of Cornwall Landfill* site (2590 Cornwall Centre Drive [Hwy 2]).

Interested parties can pick up a tender package at the DIHE Administration office (located at CIA #3) or by e-mail to the contact person below. Anticipated closing date for Tender submission is 3 p.m. on March 21, 2023.
