

COMMUNITY SETTLEMENT TRUST FUND & MOHAWK COUNCIL OF AKWESASNE D.I.H.E. - HOUSING SECTOR ELDERS HOME REPAIR PROGRAM

APPLICATION DATE:

June 15, 2026 to June 26, 2026

The Elders Home Repair Program helps community members who are 60 years of age or older with non-emergency home repairs. This may include replacing windows or doors, repair siding, or adding insulation to make the home more comfortable and energy efficient.

The Housing Sector will oversee this program, following the same process as the Elders Emergency Fund. Each household may receive up to \$10,000 in funding for approved repairs.

Criteria:

- Be in good standing with the Housing Sector.
- Own and live in the home as your primary residence.
- Live within MCA jurisdiction in the northern portion of Akwesasne.
- Pay any repair costs over the \$10,000 funding limit.
- Provide three repair quotes, if possible.

The goal of the Elders Home Repair Program is to help Elders stay safe, comfortable, and independent in their homes. The program provides assistance to low-income Elders for important repairs and improvements, including heating, electricity, water, mold issues, and other home safety needs. Households that applied in previous years but did not receive assistance will be given priority.
