

Tsiothohrkho:wa / January 2026

We are kicking off the new year with strong momentum! Our team has been working hard to finalize our vision for the future while celebrating our students' current successes.

This Month's Highlights:

- Strategic Vision: We have officially completed the AMBE Strategic Priorities and Goals and presented our operations to the new Council Chiefs!
- Culture in Action: Our students at Tsi Snaihne School enjoyed a fantastic Winter Festival, and we are already gearing up for the next one at AMS on Feb 5!
- Post-Secondary Wins: The 6th FabLab cohort and American Welding classes are officially underway! We've also implemented increased funding rates for our PSSSP students to better support their educational journeys.
- Early Childhood Support: We welcomed 15 ECE student placements into our centers and distributed new sensory tools (like weighted blankets/stuffies and headphones) to help every child thrive in the classroom.

Fiscal Responsibility: The 2026-2027 Budget is complete and has been reviewed with MCA Finance to ensure we are ready for the year ahead.

Coming Up Next:

Keep an eye out for our upcoming Snow Snake events in February and the continued rollout of our new Strategic Plan!

Thank you to our staff, parents, and community for a great start to 2026.
